

Appendix 4. Great Alne Parish Council – Parish Assembly – Saturday 18th May 2019

Update from Great Alne Parochial Charity 2018/19

Cllr Ian Millard – Representative of Great Alne Parochial Charity provided the following update:

Great Alne Parochial Charity continue to meet regularly to discuss how they can help residents of Great Alne, who are in need of some extra support.

Whilst they do not receive a great deal of request, the charity are keen to ensure people are aware of the help available and continue to advertise their details on the 3xnoticeboards within the village.

Both individuals and organisations are welcome to apply and all requests are treated with strict confidentiality.

Cllr Millard urged residents to spread the word, identify needs and support the great help the Charity can offer.
