

Great Alne Park Medical Centre

Parish Council Presentation

Great Alne Park and Alcester Health Centre

- ▶ Since 2019 Alcester Health Centre have been working with South Warwickshire Clinical Commissioning Group, Inspired Villages and other Primary Care providers to realise our goal of utilising the purpose built facilities at Great Alne Park
- ▶ We have acquiesced to all requests from the CCG including writing a business case, engaging with other Primary Care providers but as yet have been unable to gain permission to run a GMS service from the premises

Next Steps

To further strengthen our case;

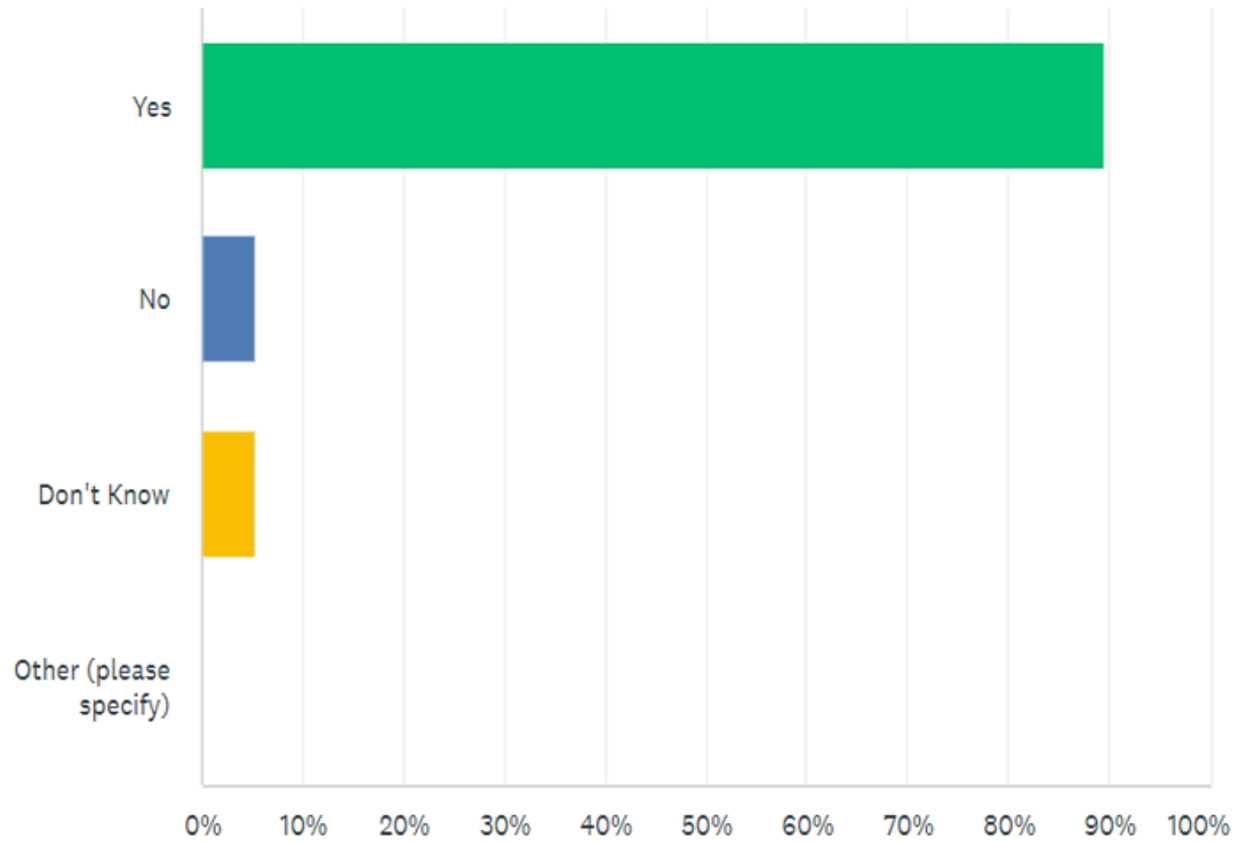

- ▶ Local MP Nadhim Zahawi visited the site and wrote a letter of support, he also asked the CCG why permission had not yet been given
- ▶ Local residents have written to the CCG
- ▶ Engagement with local Parish Councils

Survey

- ▶ To understand what our local population feel would benefit their healthcare we have completed a survey.

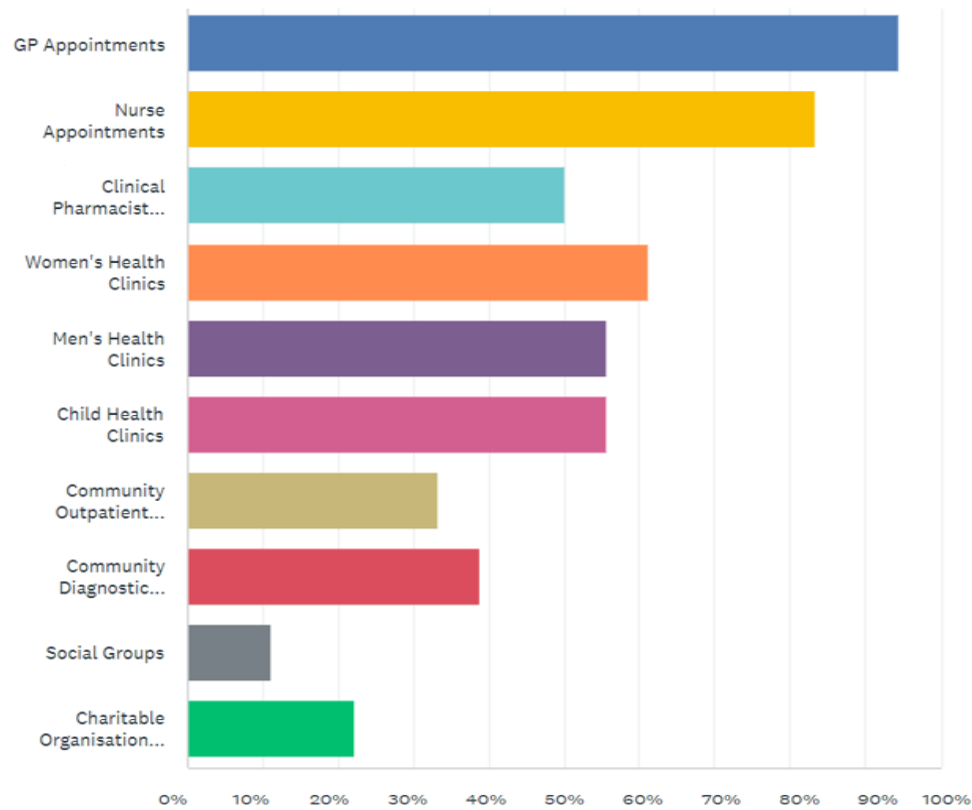

Q1.

Would a medical Centre facility be beneficial to the local rural Parishes adjacent to Great Alne?

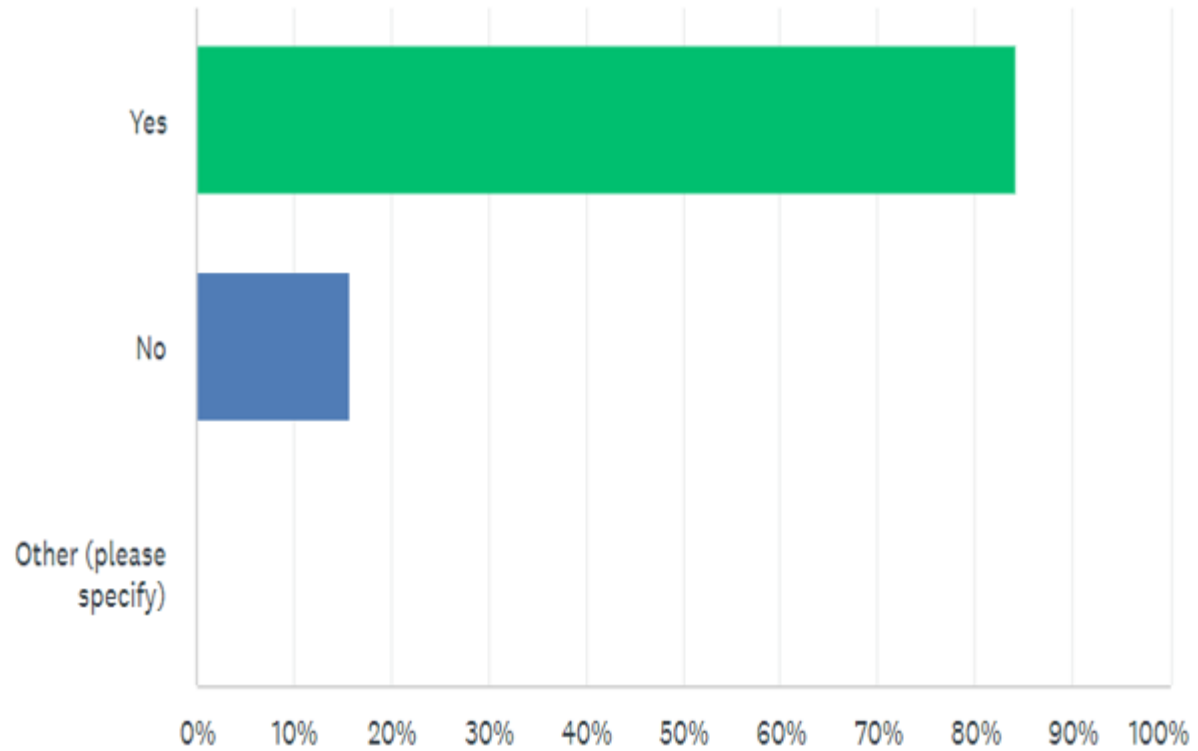

Q2.

What medical services would you like to see provided at the new Medical Centre?

Q3.

Inspired Villages as per Stratford District Council have built a medical facility for the benefit of local population surrounding Great Alne. Do you feel that NHS should allow local surgeries/organisations to utilise the Medical Centre building to provide outreach clinics for their patients?

Other Comments

Might be beneficial for Great Alne Park residents with limited mobility but i suspect the majority of local residents would prefer to use other local medical centres with extensive opening hours

Good building, ready for use and will help to keep a creaking system going.

10 Year Forward View

- ▶ Sustainable Primary Care
- ▶ More care in the community
- ▶ Promoting self care
- ▶ Great Alne Park Medical Facility can help support the NHSE forward vision

Thoughts?

What do the Parish Councillors' think the site should be used for?
