

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Great Alne Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

* Both Section 1 and Section 2 of the AGAR were completed as approved on 18/05/2023 with minute reference '16'. On investigation (due to the same minute reference being used), the minutes provided to us by the Council clearly show both Sections 1 and 2 were approved at the Annual Parish Meeting held on 18 May 2023 and recorded as minute reference '15'.

* As such, the minute references reflected on the AGAR are incorrect. We would expect this to be reflected in the council's response to Assertion 3 on the 2023-24 return and any future minute references to match back to the reference provided in those minutes.

Other matters not affecting our opinion which we draw to the attention of the authority:

* The Council's name was not entered on Section 1 of the Annual Return on the initial submission. We consider the omission to be trivial, however, the Parish Council should take care to ensure the form is fully completed in the future to ensure full compliance with the regulations and code of practice. The form was later amended and resubmitted to us with this being completed.

* Additional variance information needed to be requested. The parish council should in future ensure that all the necessary supporting information is provided with their initial annual submission.

* Section 2 of the AGAR was initially submitted without the Trust Fund disclosure in Box 11a completed. This was later resubmitted with a 'No' answer which was in line with our expectations and so there are no further concerns in this area.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
