

APPENDIX 4

Great Alne Parish Charity Report For Parish Council – May 2023

The Parish Charity continues to remain in a good financial position and over the last 12 months has helped a number of families and individuals primarily via the Hamper initiative run by Great Alne Parish Council.

In addition other support has been provided on a one off basis in response to specific requests.

The Parish charity continues to work closely with organisations in the village such as the school & the church to identify areas we can help in and also welcomes any dialogue with individuals or those helping them to see if we can assist further.
