

Great Alne Parish Council – Project Progress Report

Project Name: Road Safety inc Community Speedwatch(CSW)

Report Date: May 2026 (end of year report)

1) Project Objectives: Describe Project Objectives

This project will:

- To assist with the reduction in speeding traffic and improve safety for road/roadside users in the village

2) Progress against Plan:

Achievements this period:

We have had confirmation from Dylan White @ Highways WCC Team that a plan has been put together and this is now awaiting a safety assessment to be carried out.

A brief summary of the works includes:

Dragons Teeth markings on Spenal Lane & refreshing of existing 30mph roundel & SLOW markings.

Installation of 2 pedestrian in Road warning signs as you approach public footpath section.

New Yellow backed 30mph signs on School Rd

Actions not completed / deferred

Speedwatch sessions have not taken place for various reasons

3) Actions for Next Period:

Planned actions for next period: (this remains unchanged since July 25)

- Recommence speedwatch sessions & Find a new Speedwatch co-ordinator.
- See if additional funding from Cllrs delegated budget for this year can be secured.
- Ensure safety assessment is completed

4) Risks and Issues:

Risks:

- Delays from authorities seeking approval
 - Limited benefits from reduced scheme.
 - Volunteers on Speedwatch continuing to volunteer
 - No New Speedwatch co-ordinator coming forward
- .
