1) Project Objectives: Describe Project Objectives

This project will:

- To assist with the reduction in speeding traffic and improve safety for road/roadside users in the village

2) Progress against Plan:

Achievements this period:

Safety assessment was carried out & approved and final quote now awaited. Then once quote is approved by Cllr Cooper the work can be planned & implemented.

A brief summary of the works includes:

Dragons Teeth markings on Spenal Lane & refreshing of existing 30mph roundel & SLOW markings.

Installation of 2 pedestrian in Road warning signs as you approach public footpath section.

New Yellow backed 30mph signs on School Rd

We do have one new potential volunteer for speedwatch.

Actions not completed / deferred

3) Actions for Next Period:

Planned actions for next period: (this remains unchanged since July 25)

- Speedwatch session dates put forward & some will take place in Sept - Nov

- Seek new volunteers as we have two who are no longer able to help
- Trying to seek a new co-ordinator – (without success so far)
-

4) Risks and Issues:

Risks:

- Delays from authorities seeking approval
 - Limited benefits from reduced scheme.
 - Volunteers on Speedwatch continuing to volunteer
 - No New Speedwatch co-ordinator coming forward
- .
